

Winsted Recreation Department Offers Archery Classes

The Winsted Recreation Department is now offering something new and unique - Archery Classes at the indoor range at Northwest Sporting Goods in Winsted. It's a great individual sport for kids of all ages that is not dependent on size or strength. Archery is a sport that teaches concentration, focus, and self discipline combined with loads of fun and self satisfaction. Ever since the movie "Hunger Games" came out there has been increased interest in the sport and it's long since been offered by many summer camps and school athletic departments.

We are offering two classes; **"Introduction to Archery"** and **"Intermediate Archery"**. The introductory class is for kids 8 – 12 years old with no or limited experience. The intermediate class is for kids 12 – 18 years old who have some experience with archery at school or camp. All classes are 1-1/2 hours long, one night per week for six weeks. They include all equipment – traditional recurve bow, "Genesis" compound bows, target compound bows, arm guards, finger protection tabs, and certified professional instruction.

The first class is **"Introduction to Archery"**.

The cost for this six week session is \$130 for residents and non residents. The class is on Wednesdays; April 24 – June 3; 5:30pm – 7:00pm.

The second class is **"Intermediate Archery"**.

The cost of this six week session is also \$130 residents and non residents. This class is also on Wednesdays; April 24 – June 3; 7:00pm – 8:30pm

You may register for the class by contacting Tanya Risucci at the Winsted Recreation or by filling out the form on the back.

Office at 860-738-6964 or by email at recreationdirector@townofwinchester.org .

Registration Deadline: April 24th
